

## **Purpose of the PVLL Coaching Coordinator**

To provide a high level of coaching by mentoring coaches through the season. We would try to ensure that all teams at every level are getting the same high-quality coaching.

We could do this by:

1. Having a coach's meeting/clinic at the beginning of each session
2. Assigning experienced coaches to new coaches as part of a mentoring program
3. Having periodic meetings with the coaches
4. Providing detailed practice plans for each division
5. Being available to all coaches for questions and additional mentoring
6. Being available to parents for any questions or concerns

The overall goal is to increase the level of knowledge and skills for all coaches and players for all divisions in the PVLL.

This website has the following pages along with links to enable print of the information in the pages. The Coaches Manual includes a printout of the General Information section. If you want the other sections printed out, you can print them from the PDFs provided in each section.
